Adaptive Swim Lesson program that runs Friday's from October 16th - December 11th is being subsidized by the Special Needs JCC program to make this program more accessible to all families.

The program details are:

Adaptive Aquatics

Your child will receive 1:1 instruction in acquiring water safety, swimming skills and self confidence. Instruction is customized to fit your child's physical and developmental abilities. The class is an 8 week class, missed classes can not be made up.

Friday's at 3:30 - 4:00, 4:00 - 4:30 or 4:30 - 5pm for 8 sessions,

10/16 - 12/11 (no class 11/27), \$180 JCC Members, \$200 General Public

Please sign up ASAP at 739-4715, we are expecting these classes to fill quickly at these new rates. Partial Scholarships available - call or email Linda LaPointe, contact information below.

Private Lessons on Other Dates:

If you set up lessons with one of the JCC swim instructors for private lessons outside of this class the regular \$25/members and \$35/general public per lesson rate will apply.

Take care and please call or email with any questions,

Linda

Hello All ...

Hugh (ASA Chapter President) just passed along some information that he thought I should share!!

Temple Grandin is going to be a guest speaker here in Springfield, November 17th, at STCC, participating in a workshop.

Here's the location:

Springfield Technical Community College

Scibelli Hall, Building 2
One Armory Square, Suite 1
Springfield, MA 01102-9000

.... and a link for more details!! Please share this information ...
post/pass along ... you know the protocol!!

http://www.asperger.net/conferences_Springfield_Nov2009.htm

Thanks!
